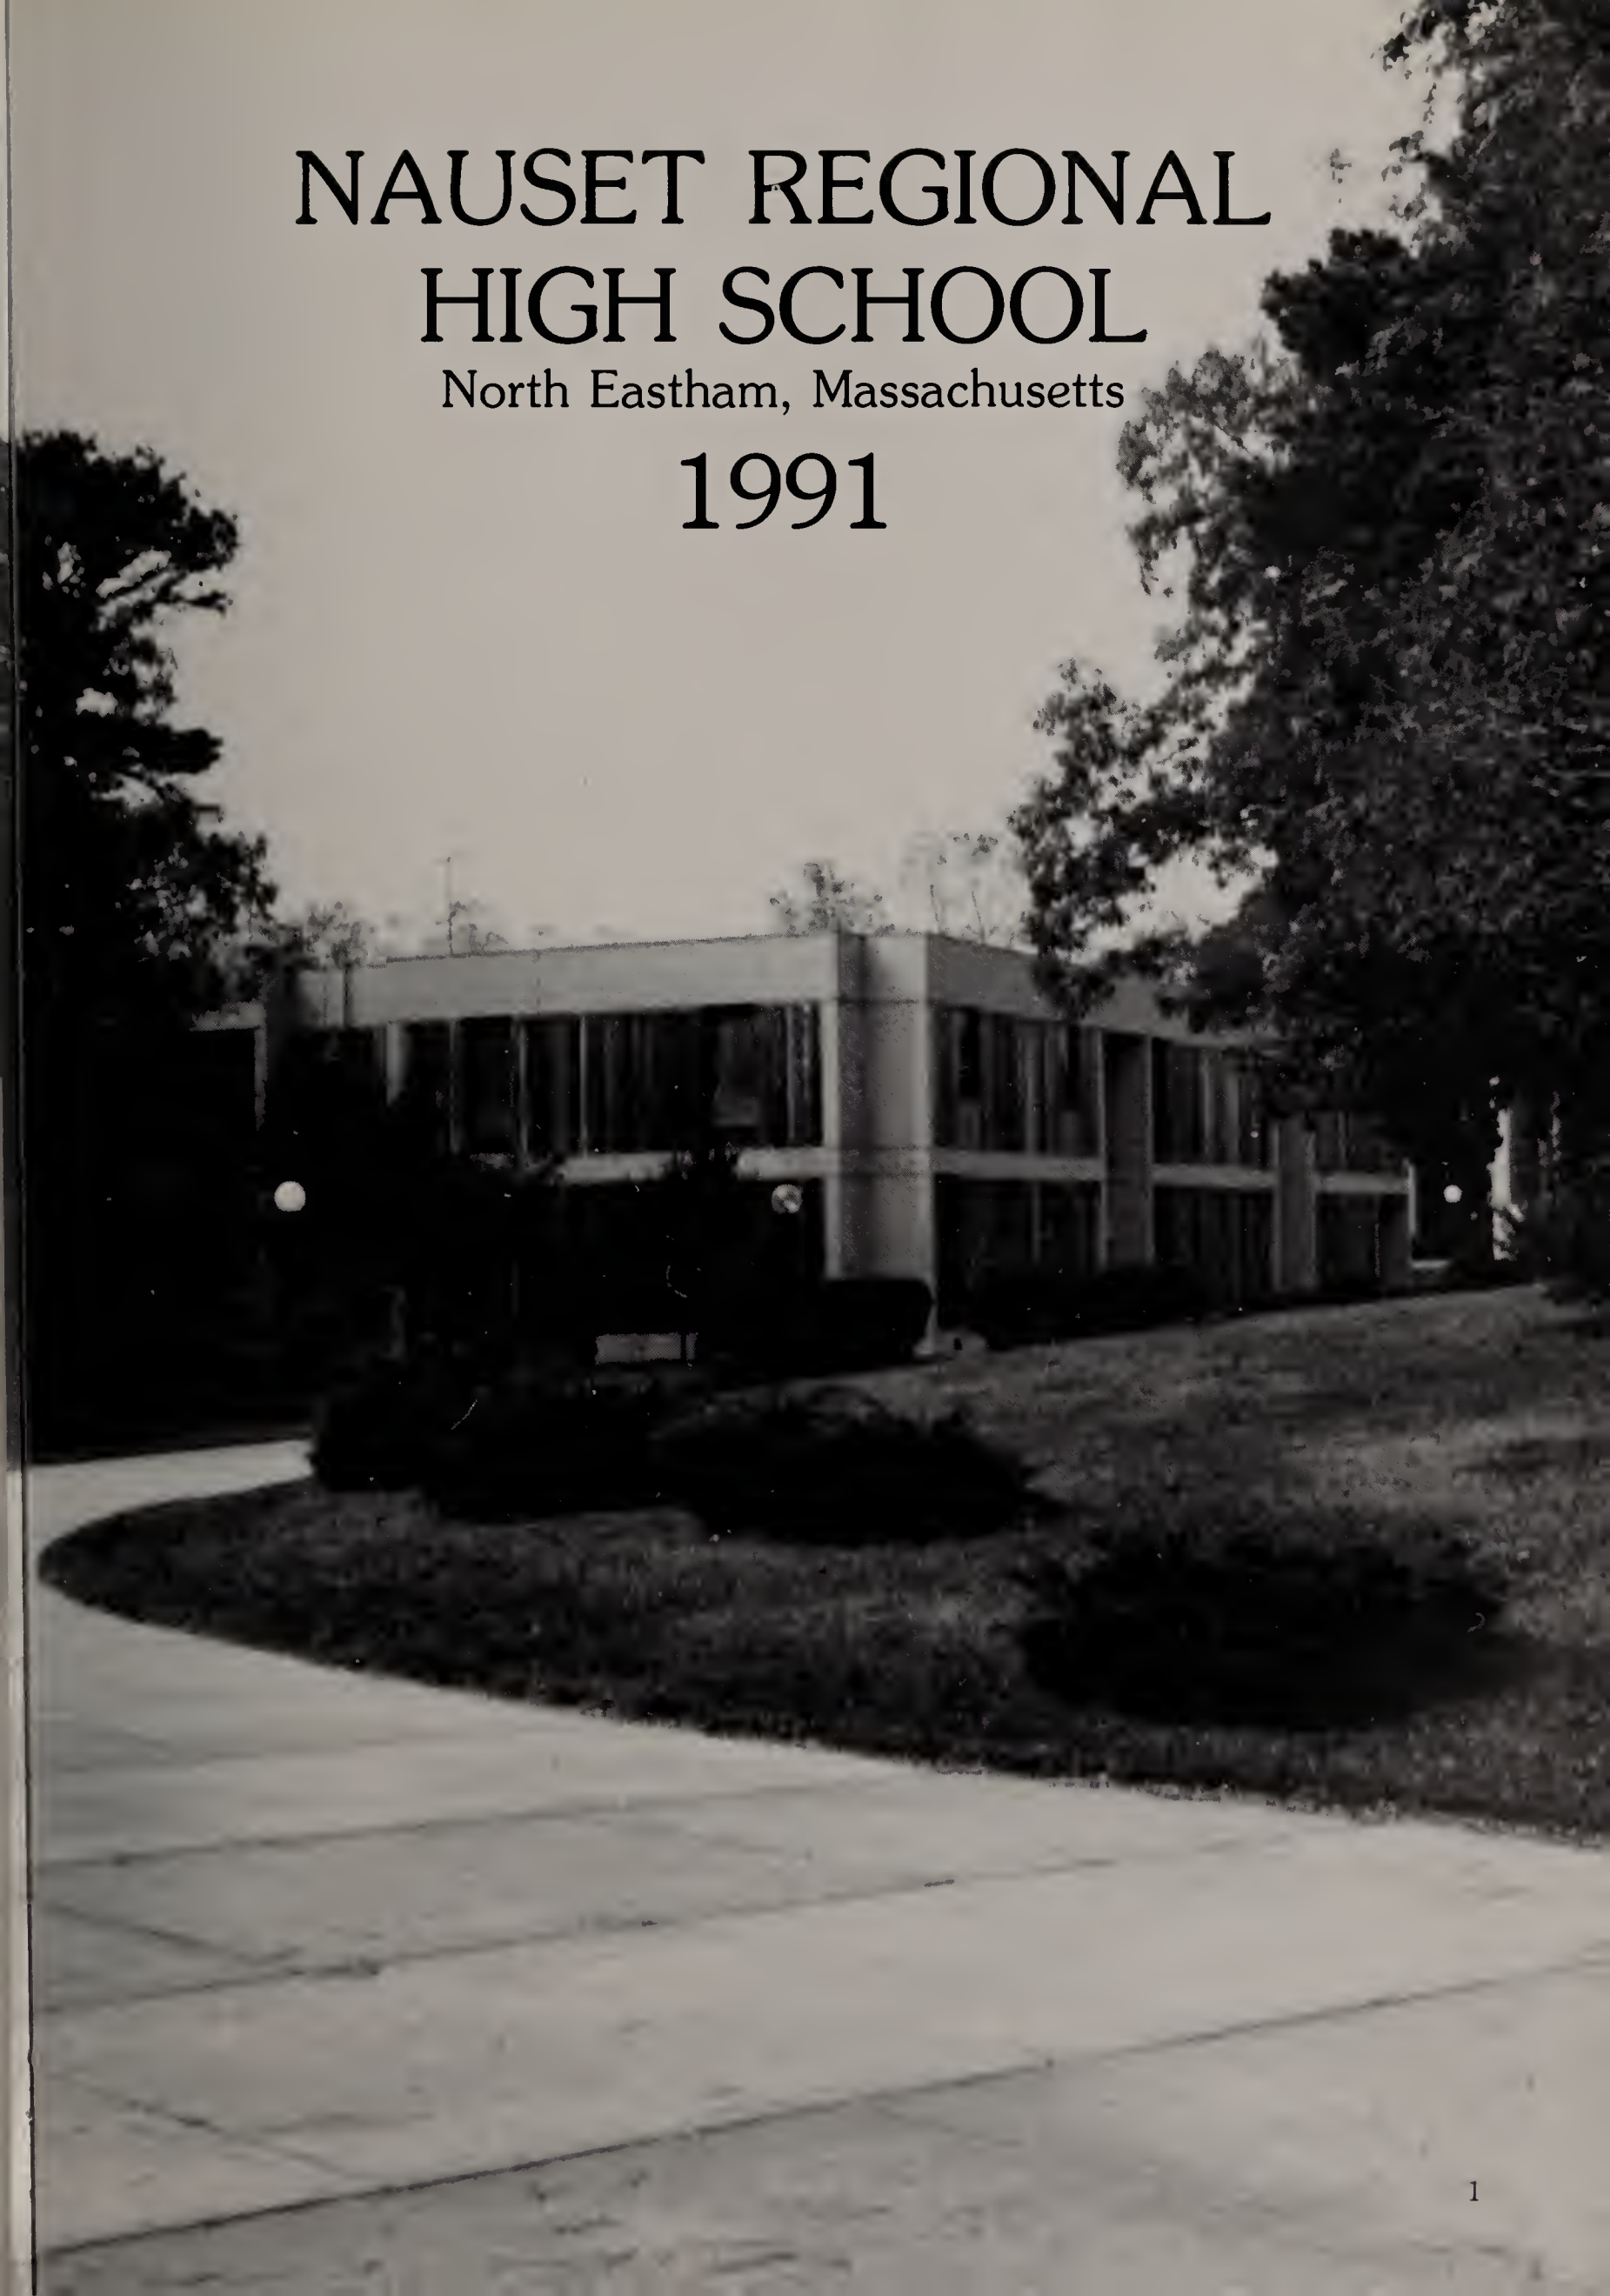
NAUSET REGIONAL HIGH SCHOOL

North Eastham, Massachusetts

1991



The editors of the 1991 Nauset Tides dedicate this yearbook to a group of people who have had a profound impact on our high school years - the staff of Nauset Regional High School. It is our intent in this dedication to recognize the efforts of every Nauset High School employee, many of whom are often overlooked. Our thanks go to:

The cheery ladies in the cafeteria who serve us each day with a warm smile.

The friendly custodians who keep our buildings clean and functional.

The librarians who are always eager to help with everything from loading the microfilm machine to finding reference materials.

The school nurse always ready to help us with emergencies.

Our Administration and their staff for the time, energy and planning that they put into making out school the best it can be.

The staff in Guidance who have helped us solve problems along the way and who have helped us set goals and plans for our future.

The teaching staff who has encouraged us to excel and taught us each to strive to be the best we can be.

On behalf of the Class of 1991 we extend out heartfelt thanks to all of you.

Tracy Greene
Sr. Yearbook Editor

IN MEMORY OF

FRIDAY COPE
AND
JOSH RYAN

FOR ALL PARENTS

"I´ll lend you for a little time, a child of mine," He said,
"For you to love while he lives, and mourn when he is dead.
It may be six or seven years, or twenty-two or three,
But will you, till I call him back, take care of him for me?
He´ll bring his charms to gladden you, and shall his stay be brief,
You´ll have his lovely memories as solace for your grief.
I cannot promise he will stay, since all from earth return,
But there are lessons taught down there I want this child to learn.
I´ve looked the wide world over in my search for teachers true.
And from the throngs that crowd life´s lanes, I have selected you.
Now will you give him all your love, nor think the labor vain.
Nor hate me when I come to call, to take him back again.
I fancied that I heard them say, Dear Lord, Thy will be done.
For all the joy Thy child shall bring, the risk of grief we´ll run.
We´ll shelter him with tenderness, we´ll love him while we may;
And for the happiness we´ve known, will ever grateful stay.
But shall the angels call for him much sooner than we planned,
We´ll brave the bitter grief that comes, and try to understand!"-ANONYMOUS, West Palm Beach

Only a person who has experienced the trauma of losing a child can know the pain. Compassionate Friends has the ability to heal the hearts of fellow sufferers when all else has failed.

To the class of 1991:

Thank you all for remembering Josh.

It doesn´t seem possible you are seniors and that Josh would be part of this class.

A special Thank You to Nicole Frechette for bringing Josh´s memorial a reality.

Thank You,

Carolyn, Roger & Bill Jr.

CLASS OF '91

CLASS HISTORY

On our First day of High School we had the overwhelming campus all to ourselves. However, we were not alone for long. The next day was our first real taste of high school because then we were joined by the rest of the students. The transition was frightening for many as we fell from the top of the heap to the bottom of the barrel. We were intimidated by our surreal surroundings and curious as to what the next four years would bring. As days rolled into seasons, we became more comfortable with our environment. Freshman year we witnessed Nauset's Second Annual Homecoming festivities, based on the theme, "When You Wish Upon a Star." By the end of the year, we were found enjoying all aspects of high school life from dances and parties to sports and other activities.

As we arrived at school on our first day of our Sophomore year, we made our way through the freshman who were huddled between B and E buildings. A slight smile crossed our faces as we realized we were no longer the bottom of the barrel. The year began with our money making magazine drive. Through the cooperation of the Class of 1991, enough money was raised to enable us to have successful upperclass activities. The Third Annual Homecoming was celebrated around the theme of "Let the Good Times Roll."

The only thought that entered our minds on our first day as Juniors was the fact that we were upperclassmen. Many of us thought that the Junior year marked the beginning of the end of our high school years and that it would all be downhill from here. We were proved wrong, however, when we were warned at our first class meeting that this would be the most important and perhaps the most difficult year yet. This year we would fall to the infamous SAT and Achievement tests. We started to think about what our future plans held. For many, these plans would include college while for others, they would include the armed forces or learning a different trade. "The Magic of Nauset Spirit" filled the air for the Fourth Annual Homecoming. The dance however would not be our only semi-formal this year because our magazine drive had enabled us to sponsor a Junior Ball, the first all-Junior dance Nauset had had in years.

With licenses in hand the first day of our Senior year, many of us drove to school, passing buses that we rode not too long ago. Finally we were seniors, once again the top of the heap. This year however, was not filled with all the excitement and glamour a Senior year should have. We were tainted by the threat of a war in the Persian Gulf. On Jan. 16, 1991, this threat turned into reality. We watched as friends, relatives, and other loved ones were shipped to the Middle East. Nauset students rallied in peaceful protests, voicing their personal opinions about the war. Before this year, war was something we only read about in history books. Now, we stood as witnesses to the media's reactions and coverage of the war. We tried not to let this dampen our spirits. While we prepared for our Senior Homecoming we kept in our hearts wishes for the safe return of our brave troops in the Middle East. The gym was once again decorated extravagantly for Homecoming, this time around the theme, "On the Edge of a Dream." Bob Smith and Jen Stocks were crowned as King and Queen of our last Homecoming. The Senior Banquet, held at the Chatham Bars Inn, and the Senior Prom, held at the Tara Hyannis, were soon upon us as our year came to a quick close. We all must remember our high school memories, but we also must remember that we need not look back, for it is what lies ahead that matters.

We the Class of 1991, would like to thank our class advisors, Mrs. Walker, and Mrs. Demetri, for their encouragement, support, and devotion along the way. We couldn't have done it without you!

Cross

My old man's a white old man
And my old mother's black.
If ever I cursed my white old man
I take my curses back.

If ever I cursed my black old mother
And wished she were in hell,
I'm sorry for that evil with
And now I wish her well.

My old man died in a fine big house.
My ma died in a shack.
I wonder where I'm gonna die,
Being neither white or black?

-Langston Hughes

Michael J. Shipman
